Feeding Directions

Feed free choice to beef cattle on an legume based forage diet. Typical consumption will be between 50 and 100 grams per head per day. Provide salt free choice and ensure free access to clean water at all times

Caution

1. Directions for use must be carefully followed.
2. Do not use in association with another feed containing supplemental selenium
3. Do not feed this mineral to sheep

Individual results from the use of this ration may vary due to management, environment, genetic, health and sanitation differences. New Rosedale Feed Mill does not warrant or guarantee individual results.
